

RELIGHT

1 What is RELIGHT?

RELIGHT is a European project that promotes the development of inland rural areas in the SUDOE territory (Spain, southern France and Portugal) through culture and sustainable tourism.

It does so by connecting urban and rural cultural and tourism actors through a participatory methodology that fosters the co-creation of cultural experiences and tourism products.

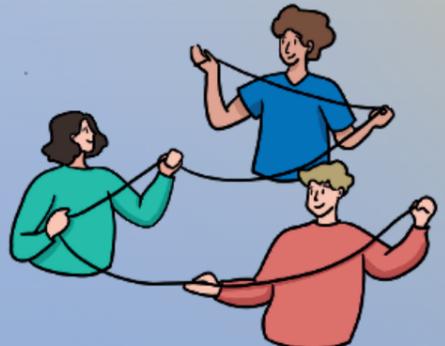

7 Who can participate in our project?

- Public and private entities in the tourism and culture sectors
- Local communities
- Other relevant stakeholders

What impact do we generate?

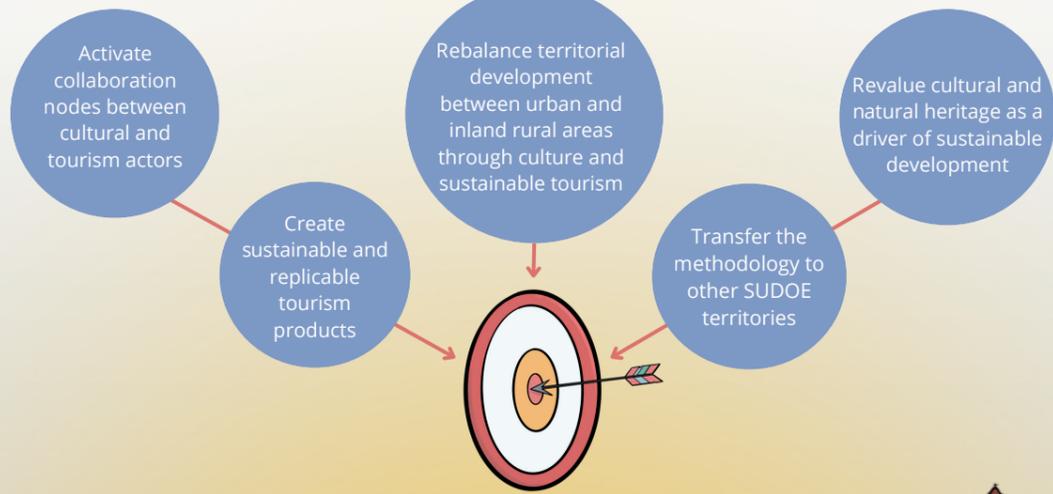

Valorize rural heritage and promote sustainable tourism models

Strengthen networks between culture and tourism, promote community participation

Transfer solutions to other territories

2 What do we want to achieve?

3 What do we do?

Heritage itineraries

Cultural and educational mediation

Recovery and enhancement of natural and cultural heritage

Artistic residencies with community participation

4 Where do we do it?

- 1 Campoo
- 2 Vale do Côa
- 3 Gironde - Entre-deux-Mers
- 4 Lot / Aveyron
- 5 Canal du Midi
- 6 Communauté de communes Sud-Hérault
- 7 Lozère

5 How do we do it?
